Classic Hits 101.7 "Bingo" Contest

1. How to Enter the Contest:

a. The "Bingo" contest will begin on September 8, 2025, and end on November 28, 2025, unless all twelve winners are determined prior to that date. If twelve winners are not determined by November 28, 2025, the contest end date will be extended until all twelve winners are determined.

b. To participate in the contest, listeners must enter by downloading a printed "Bingo" card ("Game Card") from <http://www.classichits1017.com> (the "Station"). A computer or mobile device along with an internet connection is required and is the responsibility of the participant/contestant, as is meeting eligibility restrictions.

c. A valid email address is required to download the Game Card and participate. A contestant may only play using one email address. Multiple participants are not permitted to share the same email address. By using the station's website, participants agree to the website user agreement and privacy policy as described at <http://www.classichits1017.com>. Participation fulfillment must be done by the official account holder of the email address.

d. Participants must listen to WLDE twice each weekday—at approximately 8:40 AM and 3:40 PM—during the Contest Period to hear contest episodes that will reveal business names and their positions on the Game Card. Participants will also receive daily email updates about the Game Card previously revealed on-air each weekday at 10:00 AM and 5:00PM. Those listening will have the advantage of hearing that day's Game Card positions first. The participating businesses are randomly assigned positions on the Game Card by the Station, including any Free Space position, which can be used to complete a Bingo. Once a contestant achieves a Bingo, they must notify WLDE by submitting the five-digit code from their Game Card at www.classichits1017.com. WLDE will also receive an email copy of the winning Game Card at bingo@classichits1017.com. The first valid Bingo email received by WLDE will determine the winner. Once a winner is confirmed, a new game will begin. Previously announced businesses will not be eligible for the new game unless they are randomly selected and announced again.

A Bingo is achieved by matching the revealed business names to their corresponding positions on the Game Card and completing a single straight line bingo pattern on the Game Card—either a horizontal line, vertical line, or diagonal line. Other bingo patterns, such as a four-square (2x2) pattern do **not** qualify as Bingo winners in this contest.

c. Each contestant may win only once during the contest.

d. Only one entry per person is permitted during the contest period. All participants must use their own name and information. Duplicate Game Cards submitted by multiple individuals or entries submitted using false information will be disqualified.
